### RARITY LEGEND

- Grey Common — Grey — 60% base
- Green Uncommon — Green — 25% base
- Blue Rare — Blue — 10% base
- Purple Epic — Purple — 4% base
- Gold Legendary — Gold — 1% base (manual only)

### NOTES

- \* "Also in" shows other zones where the item is catchable (shared loot pool).
- \* Time-specific fish are manual-only. Automation catches them only during the active window.
- \* Special / epic unique fish (e.g. Giant Crucian Carp) are manual-only.
- \* Legendary fish are always manual-only regardless of time window.
- \* All trash items sell for 1c flat (no demand fluctuation).
- \* All plants have 0c base value (Herbalist NPC buys late-game).
- \* Base value is before demand multiplier (0.1x Collapse to 2.5x Surge) and size modifier.
- \* Trophy size multiplier: 3x. Large: 1.5x. Medium: 1x. Small: 0.8x. Tiny: 0.5x.
